- **Selling a 10% interest with buyer's name on the registration papers. Buyer will share ownership and semen sales proceeds from the day of purchase.**
- Individual Performance: BW 79 lbs, BWR 98, 205 wt 807 lbs, WWR 117, 365 wt 1444 lbs, YWR 116 with 78 contemporaries.
- Adjusted Ultrasound Scan Data: % IMF 4.74, REA 16.3, ratio 108, Rib Fat .49, Rump Fat .60.
- Dam's Production: BR 4@97, NR 4@108, YR 3@108, IMF 3@102, REA 3@101.
- Buyer will share ownership with Idland Cattle Co, MT; Linz Heritage Angus, IN; Poplar Meadows Angus, Sharpe Ranch, WY; and Gary Wall, MT.
- Musgrave Aviator first gained world-wide recognition as the \$77,000 2/3 interest top-selling bull of the 2013 Musgrave Sale where he posted individual performance of BW 79 lbs, BWR 98, 205-day wt 807 lbs, WWR 117, 365-day wt 1444 lbs, YWR 116. Originally selected by Poplar Meadows Angus, Houston, BC CN, Aviator became a cowman's favorite at ORIGen where he has sold more semen directly through ORIGen than any other bull in the lineup. Aviator is a cowman's favorite at stud. He is medium framed, full bodied and thick. You will be even more impressed when you see his robust rib cage, the muscle down his top and the way he carries depth into his lower quarter. This bull is full of meat.
- Aviator is a sleep-all-night heifer bull with a progeny BW ratio of 1239@98, high accuracy EPDs, great feet and legs, docile disposition – setting an industry standard for calving ease, muscle and phenotype.
- Aviator is homozygous TT for the Leptin gene that improves feed efficiency, appetite, marbling and maternal strength.
- Musgrave Aviator will be on display in the yards so interested parties and would-be semen buyers can see this mature bull with as much top shape, hip and stifle expression as any Angus bull they have seen for a while and desire to build their cow herd in that direction.
- **Flash! Linz Shifting Gears 6152 a superb curve-bending son of Aviator presented by Linz Heritage Angus topped the 2017 National Angus Finals Sale in Los Vegas at \$125,000.**

- The Pathfinder® donor dam of these heifers is best known as the mother of now-deceased EPD spread sensation, Mill Coulee Pay Raise, who was unmatched in the breed among current sires for his combination of BW, WW and YW EPDs. She is also the dam of ORlgen featured sire, Mill Coulee Payweight 419 and the \$50,000 ICC Payloader, ICC Pay Raise 5941 and ICC Pay Raise 5944.
- The donor dam, Mill Coulee Barbara K 905 has become the anchor of the ICC donor pen and by their own admission "has had the most impact in the Idland Cattle Co genetic program". She was bred in the Mill Coulee performance program by the Pedretti family in WI where the Barbara cow family has become synonymous with repeated test station victories.
- A full sister ICC Barbara K 905-7410 was the \$15,000 top-selling heifer at the 2017 Stars of Montana Sale selected by AJ Diamond P Ranch and Split Diamond Ranch, MT.
- As of this writing, no other daughter of Basin Payweight 1682 can match the generous BW to YW spread offered by the 7407 heifer.

- Dam's Production: BR 2@92, NR 2@102, YR 2@96, IMF 2@100, REA 2@100, Rib Fat 2@100, Rump Fat 2@98.
- The donor dam is a recent ICC donor acquisition and a balanced trait donor that stems from the high growth Basin Lucy 178E who is considered the top performance female of her generation.
- Maternal brothers were the top two \$B bulls in the 2016 Idland Bull Sale. A full brother was selected by Currant Creek Ranch as the second-top selling bull of the Jocko Valley Sale.
- The legendary Basin Lucy 178E once sold for \$205,000 ½ interest and was the former #1 cow in the breed for WW and YW among cows with 7 or more calves on record. 178E has accumulated more than \$3.5 million in progeny sales. In the 2010 National Western Foundation Female Sale, a clone to 178E, Basin Lucy 9117, presented by Craigmere Farm, Sauk Valley Angus, and Basin Angus Ranch raised the roof in the Livestock Center Auction Arena. When the excitement ended, 9117 had topped the sale at \$40,000 selling to 3B Ranch, CT.
- The sire, ICC Pay Raise 4886 is a superstar on paper blending calving ease, performance, scrotal and \$value indexes. ½ interest in 4886 recently sold to ABS Global but his original recognition stemmed as the \$22,000 top-selling bull of the 2015 ICC Bull Sale. His dam is a top producing daughter of Hoover Dam back to a Pathfinder granddam that served in the ICC ET program until 17 years of age

- Her donor dam was the \$50,000 selection from Riley Bros at the 2015 NWFSS and is a maternal sister to \$37,000 ABS featured sire, RB World Wide 167-31. Grandam is the \$300,000 full sister to RB Tour of Duty 177 featured at Riley Bros and Powell Farms in TN.
- She is a maternal sister to the \$200,000 sensation of the 2016 National Finals Angus Sale, ICC Lady Payweight 426-6300 selected by High Roller Angus, Center TX that was the #1 \$B daughter of Payweight 1682. Another sister sold as the \$32,000 highlight of the 2017 NWFSS to Belle Point Ranch, AR while still another sold to Wilks Ranch, Cisco, TX as the \$11,000 second-top selling heifer in the 2016 NILE Sale. Her dam also produced the \$60,000 Lot 1 top-selling bull of the 2017 Midland Bull Test, ICC Payweight 1682-6023 as well as the \$37,000 second top-selling bull to ABS.
- Sired by RB Black Ranger 458, the Slovek Ranch and Stevenson Diamond Dot herd sire that is a full brother to the \$295,000 Herbster sire, Gaffney Game Changer 371, the \$250,000 Gaffney Game On and the \$100,000 Gaffney Game Time 370 at Select Sires.

- Her donor dam is now an accomplished ICC donor that originated in the Hoover Angus herd in Iowa where she produced Hoover Home Run, a Hoover Angus former top seller that is a power hitter for muscle and thickness. "Home Run" is featured in ORigen and at Stevenson Diamond Dot where he sired the top selling bred heifer in the 2013 Diamond Dot Sale.
- Her sire, TR Mr Aberdeen 1068Y is a phenotypically awesome ORigen featured sire that surfaced as the \$15,000 high-selling bull of the 2012 Thomas Ranch Bull Sale. Aberdeen 1068Y is a Brice Conover and Idland Cattle Co herd sire that has left tremendous daughters in both programs. He is a calving ease sire that defies the antagonisms combining modest birth weights with performance, muscle and scrotal size.
